Alex

Meet mason

Mason meet my older brother

Mason Rothchild

MR

Hello Alex!

Moshe Sacks

What's up Mason

Mason Rothchild

MR

How are you my man? Good to finally link.

Moshe Sacks

Been hearing your name from my bro for years now

Good to connect

Mason Rothchild

MR

I think we got a good one on our hands.

Masons been grinding....

Moshe Sacks

Yeah I've been following it man. Saw it on my fyp page

Then the Twitter hype built up

It's a really cool project

Mason Rothchild

Skies the limit too.

Yea bruh

I'm bullish

Moshe Sacks

I really want to be a part of this

Mason Rothchild

MR

People have advised me not to look too cash grabby but the people want it

Mason Rothchild

MR

Tomorrow I have a call with a team that can create these through an algorithm

1 Reply

Moshe Sacks

I think it's going to be an entire collection

Mason Rothchild

So I'm not making 1 per 20mins

MR

Lol.

MR

Tomorrow I have a call with a team that can create these through an algorithm

1 Reply

I can introduce someone who can do this for us too

Mason Rothchild

MR

Bro I need that

Already dmed him today as a backup

And he's down

He did heartNFTs

Mason Rothchild

Cause I need to quench their thirst asap

MR

Lol aaron

Nah

His dev

Lol

I knew him first

Moshe Sacks

Yeah you need to capitalize on the momentum

And airdrop to owners

Mason Rothchild

We should aim to launch a new project righr before xmas

MR

Moshe Sacks

Tease it on release

Mason Rothchild

So people gift it

MR

And we can do a tiktok campaign

To say like #finallygotmybirkin

All the boyfriends will ge ttheir gf a metabirkin

Shitty

Alright

MR

Lets get this shit boys

Moshe Sacks

Bro you need to make a holiday one with the red envelope style

Lets get itttttt

Mason Rothchild

Yess

MR

For the chinese

Moshe Sacks

The Chinese will bid it to infinity

Mason Rothchild

Dutch auction it

MR

Well we have the community now

Moshe Sacks

Only make 2

Mason Rothchild

Anytting is possible

MR

Also

Tell him about crypto.com

Mason Rothchild

MR

Post Malone management

Moshe Sacks

Bro

David is my brother

Mason Rothchild

MR

Ayyy

Moshe Sacks

Actually one of my day 1 homies

Bro it's david?!

Wow

We gotta make this post shit happen

MR

We'll print..

Alex is boys w him

Big time

Mason Rothchild

Shit

We needa grind projects

MR

I need a team tho

We need to maintain some sort of exclusivity tho

And can't look thirsty

Moshe Sacks

You definitely need a team

But a good team is expensive. Think you wanna make some money first then go for the top dogs

Mason Rothchild

Yeah

MR

But I can't crank out 900 lol

MR

I learned how to render during quarantine
hahha

Moshe Sacks

Yeah no way you can do it solo

Mason Rothchild

 Moshe Sacks

But that makes the ogs even sicker

 Mason Rothchild

And am happy to part ways with my percentage

To bring them onboard

 Moshe Sacks
Alex do you wanna be on call tmo for call with post!

Moshe Sacks

I'm obviously down. My job is pretty fucking insane to be honest so it really depends when it is

But can I call David

And get him hype?

 Mason Rothchild
Don't wanna say anything without your permission

Mason Rothchild

Definitely.

 Moshe Sacks
Let's try and win this

Maybe do somethi g with MoonPay

 Mason Rothchild
Cause I'm sure they habe something with them

We can launch anything now

 Moshe Sacks
But def more birkins

Moshe Sacks

Yeah they're tight with moonpay

And Gemini

Austin Rosen is really fucking under the radar but he's legit as anyone

Mason Rothchild

Let's get it done boys.

Happy to be in partnership,
Truman has already made me some
incredible intros.

MR

Moshe Sacks

How can we become partners

Mason Rothchild

Do you guys want more than the 1% of
aftermarket?

MR

Moshe Sacks

Definitely

Mason Rothchild

Or do you want to see how this goes then
buy in deeper into the full MetaBirkin
project.

MR

Moshe Sacks

I can send you 5eth tonight

We have a wallet w

Mason Rothchild

MR

For the 1% aftermarket?

How much of it can we buy

MR

Wed, Dec 1, 6:08 AM

Mason Rothchild

MR

We need a BAYC

Moshe Sacks

We used to have one lol

So annoyed we sold it

But we have the 20th rarest mutant

Mason Rothchild

MR

Wow

MR

This?

MR

Wow

gm

Mason Rothchild

I have the 10,000 rarest mutant

MR

Gm

Mason Rothchild

I didnt sleep lol highsnob asked me for last min interviewee

MR

I need to up my pfp game

Moshe Sacks

But the OG holders should prob get an airdrop

Mason Rothchild

Lets hop on a call Monday?

To plot?

Moshe Sacks

So 100 goes to them

Mason Rothchild

I think I have the team in place to execute it before xmas

And so people get super hype to buy these bc they'll potentially get future shit

Like they did with the mutants

Mason Rothchild

Def

Moshe Sacks

I'm hoping on a call with David later today. He's in Miami too

I'm down to link w David

Mason Rothchild

Incredible

Gas me up lol

If we can

MR We should try and do two drops and maybe work on partnership with [crypto.com](#) or another big platform

Moshe Sacks

 I got you bro

Mason Rothchild

MR Moonpay is the vibe i feel for my projects

Moshe Sacks

Yeah I need to keep brainstorming

 But I have a lot of ideas

Mason Rothchild

MR 100%

Moshe Sacks

 Btw gonna put our agreement in writing before I wire the rest. What's best email

Mason Rothchild

MR mase@masonrothschild.com

MR For legal name Mason Aston-Rothschild

Moshe Sacks

 Epic. Will take care of it today. Nothing official or legal but always better to get something down u feel

Mason Rothchild

MR Definitely

MR I don't think people realize how much you can get away in art by saying "in the style of"

Agreed

I wonder how you can integrate the metabirkins into like decentraland

Or sandbox

Mason Rothchild

So its tough

MR

I tried

It would just be this ugly

Voxel rectangle

Hahaha

MR

I need more resolution in the metaverse

haha

Moshe Sacks

Yeah it's tough

The graphics suck rn lol

Mason Rothchild

They're technically metaverse ready

Cause fully 3d

MR

But not enough pixels for this

We need to bring them to metaverse

And mason we need a post launch roadmap

Mason Rothchild

Im gonna do this poll

So fuckers cant cry and say its a cash grab

When they voted on it

MR

Community! 

Whitelist submitted?

Mason Rothchild

I have two slots left

MR

Do I give one to Noble?

not if he doesn't pull thru

W a whale

Mason Rothchild

Ok

I gave to jerry

Cause he really made the intros

And the calls are today

If I fumble, I fumble but its not his fault lol

No amelia, no josh

MR

I gave garrett cause i need cash app

Just hold out for now? And see what happens post todays calls?

Mason Rothchild

I just said wl closed

Cause wl people were selling their wl

And i didnt want anyone to get scared

MR

Scammed*

Yea good call

Crazy the fake MB are doing volume

Tell Alex mason bout that

Mason Rothchild

Bro

Like fove me that money haha

35k in volume for fake metabirkins on opensea

Lol

MR Across 8 fake metabirkin accounts

Moshe Sacks

Jesus

Wed, Dec 1, 9:14 AM

Mason Rothchild

MR Ok.

So plan -

Community voted for 500-1000 more metabirkins

I can prolly crank out 300 with my team before xmas

3 drops of 300 to make the full collection and even 1,000

Dutch Auction release, starting at 2 eth and goes down by .1 eth every half hour

Moshe Sacks

Brilliant

Mason Rothchild

basically gonna be 500 meh ones, 300 alright ones, 80 cool ones and 10 super

MR

Moshe Sacks

I honestly love it

Makes sense to get more holders

Mason Rothchild

let's say average buy price is .5 eth

2.2m

MR

i was gonna make these smaller

We need to pump marketing press

Mason Rothchild

jesse is failing me rn

I got BoF tho

honestly best marketing is celebs/whales
pump

fuck real press at this point, highsnob hit this
morning

MR

Moshe Sacks

Maybe do a Virgil tribute

Like a v low key one

Without being incentive

Mason Rothchild

MR

def doable but i think it'd be received wrong
